We would like to invite you to an historical occasion, the organizational meeting of the Hawai'i Rural Water Association.

We welcome your attendance and participation, as the Hawai'i Rural Water Association is officially formed, and sincerely hope your schedule will allow your attendance at this momentous meeting.

Come join the Hawai'i rural water family and the 27,991 water and wastewater utilities nationwide, that have seen the value of having their own state association.

Sincerely,

The HRWA Staff
