Who We Are

HWEA is a member association of the Water Environment Federation (WEF), which is headquartered in Alexandria, Virginia. WEF is an international not-for-profit educational and technical organization of more than 40,000 water quality experts. WEF's mission is to preserve and enhance the global water environment. The 400 members of HWEA include environmental and sanitary engineers, planners, wastewater treatment plant and collection system operators, chemists, microbiologists, ecologists, regulators, public health officials, scientists, researchers, educators, and concerned citizens.

Vision & Mission

Our Vision

Empowered water community for a thriving environment.

Our Mission

Engage and educate the water community to improve the environment.

Our Positioning Statement

HWEA connects and supports a diverse water community that enhances the environment.

Sponsorship Benefits

Benefits

Sponsorships provide scholarships, educational opportunities, and committee support.

Recognition as an environmental leader among peer, clients, and customers.

Relationship-building access to key influencers involved in the water industry services, technology, and policies.

Increased corporate visibility and marketing opportunities throughout a wide audience of water/wastewater professionals.

Simplified payment for variety of sponsorship benefits.

YEAR-ROUND IMPACT

Annual sponsorship provides consistent value and visibility compared to one-off donations, maximizing your investment in both community impact and business objectives.
